### WHY WE CARE

"The bond between animals and humans is very special. We are fortunate to experience the joy of that bond with our own animals and the animals we train. It is our hope that we can share our knowledge and techniques with as many people as possible so that EVERYONE will be able to experience the joy that animals can bring to our lives and that we, in turn, can bring to theirs."

### WHY DOES YOUR DOG NEED TRAINING?

Simply because A well behaved dog is welcomed by most people and places. A well behaved dog is a happy dog and a safe dog.

*No one told me that wasn't a drinking fountain*
